

## Child Care Provider Health & Safety Orientation Training Verification

The Child Care Stabilization Grant application requires providers, licensed after March 11, 2021, meet the federal Child Care and Development Block Grant Act of 2014 and accompanying federal regulations outlined in health and safety training requirements for providers receiving federal grant payments. As part of the grant application process, providers are required to complete and maintain health and safety standards covered in Nebraska's orientation training *Prepare to Care*. All directors, staff, and substitutes that work directly with children must complete the *Prepare to Care* training.

Please submit the following information regarding staff training for your child care program.
