Jim Pillen, Governor

EVV Personal Care Services FAQ

Updated February 25, 2025

In 2020, Nebraska Medicaid announced that certain services provided by PAS and HCBS Providers were required to use the EVV system as of January 2021, as required by Section 12006 of the 21st Century Cures Act.

These federal regulations mandate six elements of health care services, or “a visit,” be captured via Electronic Visit Verification, which includes, “the time the service begins and ends” and “the location of service delivery.” The state is making these changes to be compliant with these federal requirements, as the Nebraska Auditor of Public Accounts has cited DHHS systems for not fully complying with this federal requirement, under current practice. It was also noted that providers have not complied with state regulations outlined in Nebraska Administrative Code (NAC) titles 403, 404, 471, and 480.

Claims can only be submitted for payment when the caregiver follows these requirements to substantiate their presence with the Individual. Per the 21st Century Cures Act, all Providers participating in the Medicaid program who render Personal Care Services (PCS) or Home Health Services (HHCS) are required to use the EVV system.

The following Frequently Asked Questions (FAQ) were collected to address Provider’s questions and concerns and can be used as a reference guide.

This is a working document and will continue to be updated as needed.

Applicable Service Codes

HCBS DD WAIVER SERVICES (CDD AND DDAD)		
SERVICES	SERVICE CODES	PROVIDER TYPE
Independent Living	2639	Agency and Independent
Supported Family Living	7494	Agency and Independent
Medical In-Home Habilitation	9220	Agency
Behavioral In-Home Habilitation	1796	Agency
Respite	2656	Agency
Respite (In-Home)	8148	Independent

Visit Location

Q2: How do I add additional locations?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>If you are using MCG+, steps to update the location address are located on Page 58 of the MCG+ Provider Portal User Guide.</p> <p>Please see Netsmart Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>	<p>Staff should be able to continue to use self-check in/out as our app captures the GPS location of the visit. If Pre-scheduling, the EVV Admin will need to make sure the Start and End Location has been completed.</p> <p>Please see Therap Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>	<p>If you are using MCG+, steps to update the location address are located on Page 58 of the MCG+ Provider Portal User Guide</p> <p>Please see Netsmart Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>

Visit Location

Q3: What address should be used when picking up an Individual from the school bus and delivering them to another provider?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
You will use the address of where the Individual is picked up and dropped off.		Not applicable to the PAS Program

Visit Location

Q4: Will a claim be allowed if multiple addresses pop up and I select one within the GPS radius, even if it is not the exact address?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Please select the exact address for where services are being provided.

Providing Services without Individual

Q1: Sometimes our Individual asks us to go to the store before we come to their home to provide PAS or Waiver services. What should we do in this instance?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Some AD & TBI Waiver services allow caregivers to go shopping without the Individual present.

Other waiver services require the Individual to be with the provider.

Further questions should be directed to service coordination

The Individual is required to be with the Provider

Further questions should be directed to the service coordination

PAS services require the provider to shop without the Individual.

Further questions should be directed your PAS Resource Developer.

Interactive Voice Response (IVR)

Q1: How do I initiate the request to use Interactive Voice Response (IVR) to record the start and end of a visit?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

State approval is required to use IVR.

The preferred method of data collection is to use the EVV Mobile Application. IVR can be used as a backup if the EVV Mobile Application goes down.

PAS Program does not allow the use of IVR.

If the Individual does not have a landline or cell phone number the Individual's Parent's cell phone can be used. The Parent's cell phone must be on file with DHHS to be used with IVR. Please make sure all required contact information is updated with DHHS.

More information regarding IVR can be found [HERE](#) in our IVR Quick Reference Guide

Interactive Voice Response (IVR)

Q2: Can IVR be approved if the landline is at a doctor's office?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Proper planning is required prior to a visit being conducted. Yes, you can verify IVR with the Doctor's office phone number as the landline.

PAS Program does not allow the use of IVR.

Geofence Requirement

Q1: What is the new Geofence radius in Nebraska?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

The new Geofence radius is based on Nebraska zip codes. For rural designated zip codes, the Geofence is 0.50 miles within the scheduled location. For urban designated zip codes, the Geofence is 0.25 miles within the scheduled location. The updates to the Geofence radius only impact locations inside the State of Nebraska. DHHS will not expand the Geofence radius for any city in Nebraska.

The State is leveraging information collected as a part of the 2022 Nebraska DHHS Managed Care Organization (MCO) Request for Proposal (RFP), which outlined Nebraska zip codes where considered rural and urban.

Please see Appendix A below for the listing of Nebraska zip codes and their Geofence radius.

Geofence Requirement

Q2: If the Geofence start and end time requirements are not met, will a caregiver get paid for the whole shift?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>The changes being made to the EVV system are consistent with documentation requirements in Medicaid for all providers, which require proper documentation of services rendered, in order for Medicaid to pay claims and expend federal funds. Providers will be paid for any visits completed which follow EVV requirements, which are established in Federal regulations section 12006 of the 21st Century Cures Act. The Act requires six data elements to be electronically captured, that includes the location of the service performed and the visit start and end time. DHHS will pay submitted claims that meet the established requirements required for services subject to EVV.</p>		

Geofence Requirement		
Q3: Is DHHS aware of geolocation issues in Netsmart technology?		
AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>The state has an established process when a ticket is not resolved from Netsmart. If, after contacting Netsmart, the issue has not been resolved, please contact DHHS at dhhs.medicaidfa-evv@nebraska.gov with your ticket number, program, and the nature of your issue that was submitted. Questions received via the DHHS EVV email above will be responded to within 48 hours.</p>		

Geofence Requirement

Q4: How does Geofencing work and affect my visits?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Geofencing is a GPS radius with a virtual perimeter for a geographic area. The new Geofence radius is based on Nebraska zip codes. For rural designated zip codes, the Geofence is 0.50 miles within the scheduled location. For urban designated zip codes, the Geofence is 0.25 miles within the scheduled location. The updates to the Geofence radius only impact locations inside the State of Nebraska.</p> <p>The GPS radius is automatically updated for the location in the EVV system. You will not need to re-enter visits in the system due to the GPS radius update.</p> <p>To be compliant, the actual location of the visit must be within the GPS radius of the scheduled location. If the visit is started or ended outside of the locations GPS radius, you will receive a Critical Error and not be able to process this visit for payment.</p>		

Technical Issues

Q1: What do we need to do if we experience technical difficulties with the mobile EVV application, or loss of connectivity?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Please see MCG+ Quick Reference Guide for Offline Mode.</p> <p>If offline mode does not work, please document the outage and submit an adjustment request via the Force Pay Adjustment Request Form.</p> <p>If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025.</p>	<p>Please see Therap Quick Reference Guide for Offline Mode.</p> <p>If offline mode does not work, please document the outage and submit an adjustment request via the Force Pay Adjustment Request Form.</p> <p>If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025.</p>	<p>Please see MCG+ Quick Reference Guide for Offline Mode.</p> <p>If offline mode does not work, please document the outage and submit an adjustment request via the Force Pay Adjustment Request Form.</p> <p>If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025.</p>

More information regarding the Adjustment Request process can be found [HERE](#) in our Adjustment Request Quick Reference Guide.

Technical Issues

Q2: If the app crashes or the phone needs to be rebooted while in offline mode, will it still capture all data?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Please see MCG+ Quick Reference Guide for Offline Mode.</p> <p>Please see Netsmart Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>	<p>Please see Therap Quick Reference Guide for Offline Mode.</p> <p>Please see Therap Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>	<p>Please see MCG+ Quick Reference Guide for Offline Mode.</p> <p>Please see Netsmart Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>

Equipment Requirements

Q1: How can we ensure payment for services rendered if we do not have a computer available to change the address while on vacation or traveling?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>A change in location will require updating the address information in the Provider Portal.</p> <p>Please ensure you have the appropriate access and tools to perform the necessary</p>	<p>Therap EVV application has a Self-Check-In/Check-Out function that allows for a visit to start and end without being scheduled.</p>	<p>A change in location will require updating the address information in the Provider Portal.</p> <p>Please ensure you have the appropriate access and tools to perform the necessary</p>

job functions while on vacation or traveling within the United States.	<p>A change in location will require updating the address information in the Provider Portal.</p> <p>Please ensure you have the appropriate access and tools to perform the necessary job functions while on vacation or traveling within the United States.</p>	job functions while on vacation or traveling within the United States.
--	--	--

Manual Claim and Edit

Q1: When we bill for CDD/DDAD & FSW Waiver respite services, we must enter the claim manually as the visit is not scheduled. How do we resolve this?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
Not applicable for the AD & TBI Waiver.	<p>Visits will no longer be able to be completed manually.</p> <p>Therap EVV application has a Self-Check-In/Check-Out function that allows for a visit to start and end without being scheduled.</p>	Not applicable for the PAS Program

Manual Claim and Edit

Q2: Will manual visits or claims be allowed?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Manual Visits are allowed, however, will receive an error that cannot be cleared by the Agency or Individual Provider and therefore, are not able to be submitted for payment. In order for a Manual Visit to be paid the Agency or Independent Provider will need to follow the Adjustment Request Process.</p> <p>More information regarding the Adjustment Request process can be found HERE in our Adjustment Request Quick Reference Guide.</p>		

Manual claims will no longer be allowed.

In 2020, Nebraska Medicaid announced that certain services provided by PAS and HCBS Providers were required to use the EVV system as of January 2021, as required by Section 12006 of the 21st Century Cures Act.

Federal regulations mandate six elements of health care services, or “a visit,” be captured via Electronic Visit Verification, which includes, “the time the service begins and ends” and “the location of service delivery.”

Effective 2/19/2025, visits will need to be started and ended with an approved location capture verification method. The approved location capture verification methods are GPS and or Interactive Voice Response (IVR);

- Any visit that was not started and or ended with an approved location capture verification method will not be allowed to be submitted for payment.
- Visits completed in the Provider Portal will not be allowed to be submitted for payment.
- If there are issues with the mobile application, IVR is an approved location capture verification method as long as a request for IVR has been approved by the State.
- If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025.

Manual Claim and Edit

Q3: Define Manual Entry?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Visits where the provider did not follow established visit verification requirements, such as entering a claim into the portal without a verified visit.

Signature Requirements

Q1: Are all PAS and waiver service providers required to capture the Individual's signature?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Signatures from the Individual who received services are required effective 2/19/2025.

- You should be prompted in your EVV mobile application to collect the signature at the end of the visit.

- The valid "Who is Signing" options include the following: Recipient, Personal Representative, Authorized Guardian, and Physically Unable to Sign.
- Visually impaired Individuals are allowed to sign for services provided
- If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025.

Signature Requirements

Q2: I am a Personal Representative or Authorized Guardian for the Individual as well as the caregiver. Can I sign for the Individual for the provided services?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Signatures for Individuals are required, effective 2/19/2025. Due to conflict of interest the following rules apply:</p> <ul style="list-style-type: none"> • Individual is a minor: <ul style="list-style-type: none"> ○ Authorized Guardian will need to sign. ○ If Authorized Guardian is not present, Caregiver can select "Physically Unable to Sign" • Individual is Physically Unable to Sign <ul style="list-style-type: none"> ○ A Personal Representative is necessary to sign for the Individual • Personal Representative/Authorized Guardian as Caregiver (dual role) <ul style="list-style-type: none"> ○ AD and TBI Waiver services – For those guardians who are also providers, it is preferable to have another 	<p>Signatures for Individuals are required, effective 2/19/2025. Due to conflict of interest the following rules apply:</p> <ul style="list-style-type: none"> • Individual is a minor: <ul style="list-style-type: none"> ○ Authorized Guardian will need to sign. ○ If Authorized Guardian is not present, Caregiver can select "Physically Unable to Sign" • Individual is Physically Unable to Sign <ul style="list-style-type: none"> ○ A Personal Representative is necessary to sign for the Individual • Personal Representative/Authorized Guardian as Caregiver (dual role) <ul style="list-style-type: none"> ○ DD and FSW Waiver services do not allow for Personal Representatives 	<p>Signatures for Individuals are required, effective 2/19/2025. In that case, the Individual does not have authority to sign

<p>Personal Representative that has been identified to sign. If that is not possible, the next best option is to have the Individual sign, even if only with a mark. Should neither option be available, the guardian is able to sign for the services delivered. Service Coordinators will be commenting in the Individuals ISP the plan for that Individual.</p> <ul style="list-style-type: none"> • Please seek your own legal counsel to address your own individual situation. • Personal Representative/Authorized Guardian is not present to sign – Please use Physically Unable to Sign 	<p>or Authorized Guardians to be paid providers.</p> <ul style="list-style-type: none"> • Please seek your own legal counsel to address your own individual situation. • Personal Representative/Authorized Guardian is not present to sign – Please use Physically Unable to Sign • Please contact Therap Customer Support for assistance if you would like to log on to the application with biometrics. • If needed please add to the ISP to document who will be signing for visits. 	<p>documents, but the guardian has authority to sign documents for the Individual. However, please remember that a provider who is also the guardian cannot validate their own timesheets. A guardian cannot delegate authority to anyone else. In this situation, only the court can designate someone other than the guardian to validate timesheets.</p> <ul style="list-style-type: none"> • Please seek your own legal counsel to address your own individual situation. • Personal Representative/Authorized Guardian is not present to sign – Please use Physically Unable to Sign
--	--	---

Signature Requirements

Q3: My Individual is physically unable to sign to verify services completed. What should I do in this situation?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Signatures from the Individual who received services are required effective 2/19/2025.</p> <ul style="list-style-type: none"> • You should be prompted in your EVV mobile application to collect the signature at the end of the visit. • The valid "Who is Signing" options include the following: Recipient, Personal Representative, Authorized Guardian, and Physically Unable to Sign. • Visually impaired Individuals are allowed to sign for services provided • If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025. 		

Helping People Live Better Lives

Signature Requirements

Q4: How are Providers able to ensure that signatures are being captured?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Signatures are captured on the Visit Screen in the MCG+ Mobile Application.

If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025

Signature Requirements

Q5: Who signs when logging out of visit?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

The provider signs attesting to completing the service and the Individual who received the services signs verifying that the services were rendered during the visit. This is a protection for the Individual, as there have been instances where the Individual refuses to sign because the provider did not perform the services.

Individuals will be allowed to use initials, scribble, or X if they are unable to sign.

The provider signs attesting to completing the service and the Individual who received the services signs verifying that the services were rendered during the visit. This is a protection for the Individual, as there have been instances where the Individual refuses to sign because the provider did not perform the services.

Individuals will be allowed to use initials, scribble, or X if they are unable to sign.

If you are using Therap Once you clock out on the mobile app, you will then be able to click on the "verify" listed at the bottom. When you click on "Verify", select signature to have the approved signer sign their name.

The provider signs attesting to completing the service and the Individual who received the services signs verifying that the services were rendered during the visit. This is a protection for the Individual, as there have been instances where the Individual refuses to sign because the provider did not perform the services.

Individuals will be allowed to use initials, scribble, or X if they are unable to sign.

Signature Requirements

Q6: Can 'Audio' verification be used if the person is physically unable to sign?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Yes. If your EVV Vendor has the capability, audio verification can be used to replace signature. Please have your Individual state their full name.

Signature Requirements

Q7: For 24/7 Individuals, do we need to wake up the Individual so they can sign at the conclusion of the shift?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

No, you will not need to wake up your Individual to sign at the end of the visit. You can use "Physically Unable to Sign" from the drop down menu.

The Individual must be awake and directing the services to be provided.

Signature Requirements

Q8: Will the MLTC-15 second validation form be used after "no signature gathered"?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Not applicable to the Waivers.

Yes. It will need to be used for those Individuals that have a Personal Representative or Guardianship.

Signature Requirements

Q9: Will the second signature paper process stay the same, or is it changing?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
Not applicable to the Waivers		The Second Signature process will remain the same.

Signature Requirements

Q10: What should we do if Individual refuses to have their picture taken or refuses to sign?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
Please contact your Resource Developer, Service Coordinator or the Individual's Case Worker.	Please contact your Service Coordinator or the Individual's Case Worker.	Please contact your Resource Developer or the Individual's Case Worker.

Authorizations

Q1: Sometimes the authorization is not in the system for us to schedule visits against. What do we do in this situation?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Proper planning is required prior to a visit being conducted. Please review your service authorizations in advance of the visit to ensure you have proper authorization for services.</p> <p>If this does not resolve your issue, please contact Netsmart Customer Service at 1-833-483-5587.</p> <p>Netsmart support is available 8:00 AM – 6:00 PM CST Monday – Friday.</p> <p>You may also create a ticket using Netsmart CONNECT.</p> <p>Please follow this link to the Netsmart Triage Guide for trouble shooting guidelines.</p>		

Authorizations

Q2: Can caregivers work over 40 hours a week if the authorization approved more than 40 hours a week?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

The Caregiver is allowed to work over 40 hours a week if the authorization allows.

Authorizations

Q3: Will authorization issues be handled as a manual process for retrospective visits?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

We are not changing the way authorizations are edited.

Authorizations

Q4: Why are unit numbers in the system different from those in the DHHS claim department?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Sometimes there may be a lag in the transfer of authorization data from one system to another or unmatched claims in the Provider Portal.

Authorizations

Q5: Will there be a way to manually enter authorization numbers that did not get updated in time through DHHS, and who should we contact for this?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
Please contact your Resource Developer or Service Coordinator if the authorization is not in the EVV System.	Please contact your Service Coordinator if the authorization is not in the EVV System.	Please contact your Resource Developer if the authorization is not in the EVV System.

Authorizations

Q6: Can we remove old authorization codes that are no longer used?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
No. Old authorization codes cannot be removed.		

Live-In Parent Caregiver Exemption

Q1: Can live-in Parent Caregivers or live-in parent caregivers be exempt from these strict rules, as they are in many other states?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
Live-in Parent Caregivers will not be exempt from these rules.		

Appeals Process

Q1: What will the appeals process be if we feel a valid visit has been rejected? Such as an emergency situation that prevented the caregiver from starting or ending the visit at the scheduled time and location or collecting the required signature.

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

The DHHS appeals process will remain the same as it is today. We will review the documentation submitted to the appeals mailbox for approval or denial of the claim. Please remember to attach all supporting documentation.

Please see the Adjustment Request Process found [HERE](#) in our Adjustment Request Quick Reference Guide if you have any visits or claims that are unmatched due the EVV PCS changes.

Appeals Process

Q2: Some parents understand that they will not be able to appeal any time/ location discrepancies.

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

These changes do not impact or restrict any individual from filing an appeal with DHHS, and the established appeal process will be followed.

Please see the Adjustment Request Process found [HERE](#) in our Adjustment Request Quick Reference Guide if you have any visits or claims that are unmatched due the EVV PCS changes.

Adjustment Request Process

Q1: What is the Adjustment Request Process for unmatched visits due to these EVV PCS changes?

Examples: Any type of emergency, power outage, Caregiver forgets to clock in or clock out, GPS is not captured while using the EVV PCS mobile application, Caregiver starts or ends a visit outside the Geofence Radius, etc.

How will the Adjustment Request Process be shared with providers once it is completed?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

If there is an emergency situation, addressing the emergency is the Caregivers first priority.

Please document the specific situation that prevented the use of the mobile application or IVR to start or end the visit and submit an adjustment request via the [Force Pay Adjustment Request Form](#).

More information can be found [HERE](#) in our Adjustment Request Quick Reference Guide.

The Adjustment Request Process will also be posted to the EVV Website and emailed to Agency and Independent Providers via the list serve.

Town Halls/Provider Forums

Q1: Is this recording going to be accessible tomorrow as well as the presentation slides?

AD & TBI Waiver

Recordings and slides will be made available on the NE DHHS EVV website and Netsmart website.

CDD/DDAD & FSW Waiver

Recordings and slides will be made available on the NE DHHS EVV website and Therap Website.

PAS Program

Recordings and slides will be made available on the NE DHHS EVV website and Netsmart website.

Town Halls/Provider Forums

Q2: Is there a suggestion for a town hall meeting for providers using third-party EVV only?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Yes. DHHS is considering holding Provider Forums with Alternate EVV Vendors.

Consulting Advocacy Groups

Q1: Were any disability advocate groups-- independent of DHHS-- included in the discussion about the changes before they were made?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

No, DHHS would note that the changes being made are not implementing new requirements, but rather enforcing requirements that were not being followed by providers and the solution in place was not enforcing, despite the requirements being established and intended at the start of EVV, which was implemented in 2021. These requirements will ensure our Individuals are receiving the services in order for them to remain healthy and safe.

Global Positioning System (GPS)

Q1: How do we correct our GPS if it is showing us at the wrong address?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Please see Netsmart Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>	<p>Please see Therap Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>	<p>Please see Netsmart Resources and Support at the bottom of this FAQ for training materials</p> <p>Please see Alternate EVV Vendor Resources and Support at the bottom of this FAQ.</p>

Global Positioning System (GPS)

Q2: How will Caregivers use the EVV mobile application while on a cruise or traveling when they cannot determine their location?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Manual visits will have to be billed to claim payment, Please provide appropriate documentation that will support the care provided, such as: type of service provided, caregiver/provider, date of service, start time, end time, and location.</p> <p>More information regarding the Adjustment Request process can be found HERE in our Adjustment Request Quick Reference Guide.</p>		

Therap Self-Check-In/Out

Q1: Will we still be able to use the Self Check-in, and how are "scheduled locations" for check-in/out determined?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
Not applicable to the AD & TBI Waiver	Yes. The Therap EVV application will continue to allow the Self Check-In/Check-Out function. This function	Not applicable to PAS Services

allows for a visit start and end location to be verified based on pre-set addresses.

Therap Self-Check-In/Out

Q2: How can "visits" be scheduled for DD individuals in respite or emergency respite services?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
Not applicable for AD & TBI Waiver	Therap EVV application has a Self-Check-In/Check-Out function that allows for a visit to start and end without being scheduled.	Not applicable for PAS Program

Which Mobile EVV Application Should I Use?

Q1: Do we now need to use the Tellus app rather than the Therap app?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
AD & TBI Waiver services must use the Tellus, or Netsmart application or another approved Alternate EVV Vendor.	<p>You can use the Therap mobile application to clock in and clock out or an approved Alternate EVV Vendor.</p> <p>The Tellus/ Netsmart web application is used as a Provider Administration portal.</p> <p>You may continue utilizing Therap for ISP data entry and Tellus/Netsmart systems for billing as you are currently.</p>	AD & TBI Waiver services must use the Tellus, or Netsmart application or another approved Alternate EVV Vendor.

Which Mobile EVV Application Should I Use?

Q2: Define “alternate EVV vendor”

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

An Alternate EVV Vendor is any EVV Vendor other than Netsmart.

Reason for Changes to EVV PCS

Q1: Are these changes a result of the Audit dated December 13, 2023?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Yes, these changes are a result of the Audit dated December 13, 2023.

Alternate EVV Systems

Q1: Is DHHS in contact with the Alternate EVV Vendors about these changes?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Netsmart is in contact with all Alternate EVV Vendors regarding the upcoming changes.

Late Clock Out

Q1: If I clock out late due to the next provider being late, will I still be paid?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
Yes. Caregivers can continue to provide service as long as they need to prior to the next Caregiver arriving.	Yes. Caregivers can continue to provide service as long as they need to prior to the next Caregiver arriving.	Not applicable to the PAS program

Clocking in Early and Clocking Out Late

Q1: Can I clock in before the scheduled visits time and clock out after the scheduled visit time?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
As long as care is being provided, Providers and Caregivers that use the Netsmart Mobile Caregiver+ Mobile application can start a visit as early and end a visit late. Starting more than 2 hours early will trigger a warning message that the visit is starting 120 minutes prior to the scheduled start time. This WILL NOT result in a Critical Error.		

Out of Country Travel

Q1: What if an Individual and their caregiver go out of the country?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>DHHS did receive clarification that care can be provided out of country.</p> <p>The Netsmart Mobile Caregiver+ Mobile application does not work outside of the United States. Manual visits will have to be completed to claim payment, which will trigger a VVER critical error. The Agency or Independent Provider will need to submit an Adjustment Request for payment reconsideration.</p> <p>More information regarding the Adjustment Request process can be found HERE in our Adjustment Request Quick Reference Guide.</p> <p>Please provide appropriate documentation that will support the care provided, such as: type of service provided, caregiver/provider, date of service, start time, end time, and location.</p>		

Service Coordinators will need to be made aware of any travel occurring outside the United States.

Resource Developers will need to be made aware of any travel occurring outside the United States.

Travel to US Territories

Q1: Does the Netsmart Mobile Caregiver+ Mobile Application work in US territories such as Puerto Rico and US Virgin Islands?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Netsmart does not explicitly block traffic from U.S. Territories. However, variables like local network settings/IP might trigger Netsmart to block the traffic.

Language Availability

Q1: How does DHHS plan to support languages outside of English and Spanish for EVV use?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

The Provider and Caregiver must be able to communicate in English or provide their own translation services.

Visits that Cross Over Midnight

Q1: Can a provider cross over the midnight hour or do they have to log in and out again?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>The Netsmart system will automatically end the visit and midnight and start a new visit.</p> <p>If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025.</p>	<p>The Therap system will automatically end the visit and midnight and start a new visit.</p> <p>If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025.</p>	<p>Not applicable to PAS Program</p> <p>If you are using an Alternate EVV Vendor, please work with them to address your concerns. The EVV Visits must meet the State's requirements on 2/19/2025.</p>

Clocking In and Clocking Out

Q1: Is it necessary to clock in and out every day to avoid error messages, or can it be done weekly?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>You will need to clock in and out for each visit.</p>		

Critical Errors

Q1: Is there a list of critical errors that cannot be fixed?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
<p>Critical Error for Visits Without GPS or IVR Verification</p> <ul style="list-style-type: none">• VVER Error Code:<ul style="list-style-type: none">• Any visit that DOES NOT have a start and end verification method of GPS or IVR WILL receive a Critical Error that CANNOT be cleared and WILL NOT be allowed to bill.		

- Any visit where the billable start time is adjusted to before the actual start time and or the billable end time is adjusted to after the actual end time of an already completed visit WILL receive a Critical Error that CANNOT be cleared and WILL NOT be allowed to bill.

• VIVR Error Code: Generated when the start or end IVR Phone number for an IVR visit does not match the IVR phone number on file in Mobile Caregiver+ for the Individual.

Set Geofence Radius by Zip Code & Critical Errors for VLOC Errors

- VLOC Error Code (Generated when any of the following conditions are met)
 - The Start Variance (Miles) is greater than the distance allowed for the zip code of the scheduled visit start address.
 - The End Variance (Miles) is greater than the distance allowed for the zip code of the scheduled visit end address.

No scheduled start or end address NOSL Errors

- Any visit that DOES NOT have a scheduled start or schedule end address listed WILL receive a Critical Error that CANNOT be cleared and WILL NOT be allowed to bill.

Visits that receive the above Critical Errors will remain unmatched and not allowed to be submitted for payment in the EVV system. You will need to utilize the Adjustment Request Process to have these visits reviewed for payment.

Visits with other unmatched error codes would need to be matched through the normal matching process.

More information regarding the Adjustment Request process can be found [HERE](#) in our Adjustment Request Quick Reference Guide.

New EVV PCS Requirements

Q1: How will the requirements align with Federal law regarding timely payment for employees?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Nebraska Administrative Code (NAC) 471-Chapter 3 section 3-005: Providers are restricted to a maximum time limitation of 90 days to request an adjustment to a claim regardless of the reason for the adjustment or whether the claim was disallowed in part or in whole, unless documentation of extenuating circumstances is submitted to and approved by the Department. The 90-day limitation begins with the payment date of the paper remittance advice (EOP).

New EVV PCS Requirements

Q2: How does this system align with the Olmstead Act regarding community integration?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

These requirements are neither a violation of the Olmstead decision nor of the ADA. The EVV requirements are not dictating the setting in which an individual receives treatment, or requiring that they be institutionalized, nor are they limiting the ability of disabled individuals to have PAS or HHCS providers or receive their services. EVV is an administrative requirement from the federal government to ensure services are actually provided, and that they are provided in the time and in the place, they are supposed to be. These requirements apply equally to all providers, and beneficiaries can still select any provider they wish so long as that provider is willing to comply with the EVV requirements in order to be paid with Medicaid funds.

PAS Program Questions

Q1: Do PAS providers need to stay home, or can they go on vacation or visits?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Not Applicable to Waiver Services

Certain PAS Services can be provided outside of the home. Please work with your PAS Resource Developer.

PAS Program Questions

Q2: If an Individual requests a second PAS provider, will hours or pay be split, or do they get their own?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

Not Applicable to Waiver Services

This is based on the Service Needs Assessment and the Individual will make the decision.

CMS Regulations

Q1: CMS does not require GPS being used in the EVV process: Is DHHS open to taking a look at the differences between parent caregivers and employees... and potentially consider adjustments?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

DHHS has pasted the entirety of the reference noted in your question below, (page 5 from the FAQ guidance document linked in your question) for context. CMS clearly states that services starting or stopping in the individual's home are subject to EVV requirements, and capturing the location where the service starts and stops is sufficient, which is what Nebraska's requirements entail. We do allow for providers to use the alternative method of the IVR, also noted in this question and answer pasted below. As noted previously, these changes are not implementing new requirements, but rather enforcing established requirements that were not being followed. DHHS always welcomes stakeholder feedback and takes that into consideration for program improvement over time.

15. Q: How can EVV be implemented in ways that minimize privacy concerns, particularly around the need to capture location information through the EVV system? A: The Cures Act does not require states to capture each location as the individual is moving throughout the community. Services either starting or stopping in the individual's home are subject to EVV requirements, and capturing the location in which the service is started and stopped is sufficient for meeting the minimum requirements specified in the Cures Act. CMS notes that states may choose to require more information as a factor to control for fraud, waste, and abuse. State Medicaid Agencies have a good deal of discretion in selecting the EVV system(s) that will most effectively meet their needs. CMS also notes that there is no requirement to use global positioning services (GPS), but it is one approach for implementation of the EVV requirements. A common alternative to GPS is Interactive Voice Response, which requires the caregiver to check-in and out using a landline or cellular device located at the individual's home.

CMS Regulation

Q2: What are the six required elements required for EVV?

AD & TBI Waiver

CDD/DDAD & FSW Waiver

PAS Program

The following are the six data elements required for EVV: 1. Individual Receiving Services, 2. Individual Providing Services, 3. Visit Date, 4. Visit Begin and End Times, 5. Service/Procedure Code, 6. Location Where Visit Occurred.

Claims Adjustment Process

Q1: What is the turnaround time for the claims adjustment process?

AD & TBI Waiver	CDD/DDAD & FSW Waiver	PAS Program
You have 90 days from the date of payment to adjust your claim.
