

# A PEER-TO-PEER TRAFFIC SAFETY PROGRAM FOR AMERICA'S YOUTH

## Why Sign-Up for Teens in the Driver Seat?

Car crashes are a leading cause of death and injury for young people in this country. Teens in the Driver Seat (TDS) seeks to save lives and prevent injury among youth through education, empowerment, and peer-led outreach. We work with youth teams to combat risky driving and passenger behaviors across the nation.

## Benefits of Teens in the Driver Seat:

- Student-led peer-to-peer outreach that builds a culture of traffic safety at your school
- Earn up to **\$1,300** per year for your school/club
- Free to enroll your high school or middle school
- Receive a free educational and outreach kit each year
- Build student leadership skills
- Excellent service project for a student organization/club

## What's in your free kit?

Once you sign up with the QR code below, we'll send you your full education toolkit.

- Posters
- Banners
- Flashcards
- Stickers
- Bulletin board kit
- Wrist bands
- Yard signs
- T-shirts
- Rail, Pedestrian & Bicycle Safety mini-kits
- Large truck safety mini-kit

TDS is available to all high schools and middle schools, thanks to Nebraska Department of Health & Human Services.

## We are here to help!

Texas A&M Transportation Institute gives you the science, guidance, and project resources to implement the program. Check out [www.t-driver.com](http://www.t-driver.com) for ways to be involved, activity ideas and contests.
