

4/19/19 Pediatric Mental Healthcare Access grant Advisory Committee

Welcome

Introductions & Housekeeping

- Location of the Restrooms
- This session is being recorded purely for the purposes of recording accurate notes.
Objections?
- Mileage reimbursement: if in order to participate in these meetings, you incur personal mileage expenses NOT otherwise covered by an employer, and would like to apply for reimbursement, there is a specific form that must be filled out every time. These forms will be made available each meeting
- PMHCA Grant Team:
 - Sara Morgan, Project Director
 - Kathy Karsting, Project Co-Lead
 - Jennifer Auman, Project Co-Lead
 - Rayma Delaney, Title V Administrator
 - Mai Dang, Maternal Child Adolescent and School Health Administrative Asst.
 - Holly Roberts, Clinical project Director
 - Christian Klepper, Clinical Project Coordinator

This group is a Systems Integration Team--not a who's who of what degree you have or what position you hold. Each person was asked individually and personally because of the value you bring to the field and to perspective. We need as much perspective, opinion, and experience to give voice to the matter of expanding appropriate early childhood mental health service access consistently and thoroughly across the state.

Our charge is to:

- Assure parent/family/consumer inclusion at all levels of the project.
- Assess and promote CLAS and Literacy adaptations to serve diverse populations, related to tele-behavioral health, family engagement, mental and behavioral health issues of children, and accessing health insurance.
- Assure systems integration with other initiatives and the Behavioral Health System of Care.
- Lead spread of screening practices statewide, including and beyond the clinical demonstration project.
- Look for and recommend spread, scale, and replication ideas.
- Identify priorities for Title V and stakeholders to enhance project effectiveness.

WELCOME ACTIVITY:

A list of potential names for the Pediatric Mental Healthcare Access Program of Nebraska are on the screen. Please review and share:

1. Your name & what organization you are representing; and
2. Which potential group name is your favorite?

Family case study

Report Out:

- Parent Representatives: Behavioral Health language and support – Jenni Auman
- Clinical Demonstration project – Holly & Christian
- Technical Workgroup 1: brief report
- Evaluation project – Kathy Karsting

What are we ready to accomplish?

Discussion: What are the priorities of systems integration and cross-sector collaboration this group wants to address/be known for?

What's next?

Potential Technical Workgroups:

- Reviewing CLAS standards and making recommendations for the clinical project and for the screening menu
Handout: *National Standards for Culturally and Linguistically Appropriate Services (CLAS) in Health and Health Care*
- How do we ensure family inclusion at all levels? What does that look like in our systems-integration?

Action steps

Next meeting: Friday, July 19, 2019 9:00a – 11:00a

- **Agenda items**
